LUXURY MEETS MYSTICISM

# WHAT IS KARAYA

KARAYA is a paradisiac Healing-Art-Eco Retreat Center nestled in the luscious nature of Samaná (DR).

It is a landing site for a new alchemy of health and art built upon a foundation of Permaculture and with the blessings and close collaboration of the Taino people native to the land. KARAYA is a sanctuary and incubation space for local and international souls to heal, learn, grow express, and connect

## THE STATUS REPORT

We've have 40 acres of both tropical forest and beach on the northeastern coast of the Dominican Republic. Permaculture and deep collaboration with Taino retainers are at the foundation of KARAYA's beliefs .

We have basic capital...enough to begin building the infrastructure: 17 bungalows, a training hall, a yoga platform, a restaurant, a beach café, and a small temple! The vision is clear and maintained by the 3 founding members- with help from from skilled and diligent collaborators

We are still looking for a few qualified additions to our core team that share our passion and willingness to dive full-heartedly into the creation of this project.

WE ARE LOOKING FOR A

# BUSINESS DEVELOPMENT MANAGER

We are passionate creatives and creators who aim to bring real magic into the world. We need someone to develop the business aspect of KARAYA together with us. A strategic thinker with professional skill, capability and experience who complements our energy and aligns with our vision.

**This is NOT a Resort Manager Position (though it can grow into it) but it is the position of the person developing this business together with us and taking over correspondent responsibilities.**

## YOUR SKILLS

We are looking for a business developer. Someone who thinks logistically, preemptively and is team oriented. You must not be afraid to 'get your hands dirty'. What we ask of you:

- have a background in social business, management and a solid understanding of business administration
- have experience in the founding and scaling of a hospitality business
- Be ready willing and able to live on site or closeby
- fluently speak and write in both Spanish & English
- have experience or deep interest in integrating and building from permaculture
- Ideally, be well connected in the USA and the Caribbean.
- be able to oversee construction onsite
- Residence of the Dominican Republic are encouraged to apply

## YOUR TASKS

Working closely with the Karaya team and founders to ideate and approve core decisions. You will also have a lot of your own decision-making power. Your tasks will be:

- Developing the mission, business strategies and plans with founding team
- Overseeing all operations, business activities and work of executives
- Creating and maintaining ethical and legal guidelines to ensure the legal security and integrity of KARAYA
- Overseeing our construction site with support from our local team
- Writing and submitting reports to the board and founders in all matters of management
- Making sure that budgets are created, controlled and kept
- Sourcing investors and acquiring additional funds for KARAYA

## WHAT WE OFFER

You will be part of a budding international team. You will receive a basic monthly of \$ 2,500 during the founding process which can be increased by finding more investors and/or funds. You will receive free housing onsite. There is a long-term possibility for you to become an official co-founder and shareholder.

If you are interested please write us a message with a short CV and ideally a quick video introduction why you would like to join us. We will get in contact as soon as possible.
